

Risk Disclosure: Electronic / Online Trading

(Azee Securities – Corporate Member Pakistan Stock Exchange)

At **Azee Securities**, we believe in transparent communication with our valued clients. The following statement outlines the risks associated with **Electronic / Online Trading**. By using our online trading platform, you acknowledge and accept these risks.

1. Risks Associated with Online Trading

All risks connected with **Electronic/Online Trading** shall be borne entirely by the client. Online trading may, from time to time, be adversely affected due to factors beyond the Broker's control, including but not limited to:

- Network congestion or internet connectivity issues.
- Hardware or equipment malfunction.
- Software errors, bugs, or failures.
- System breakdowns or downtime.
- Electricity/power failure.
- Technical glitches at third-party vendors.
- Adverse market conditions (such as volatility, illiquidity, or sharp price movements).
- Partial or non-execution of client orders.

In such cases, clients are advised to **immediately contact our KATS Terminal operator** via the official contact numbers provided or visit our brokerage office for order placement, cancellation, or amendments.

2. Information and Investment Opportunities

From time to time, **Azee Securities** may, on the client's request or at its discretion, provide information about market conditions, investment opportunities, or financial/economic updates.

However, clients must note that:

- Such information is shared in **good faith** but without any guarantee as to its **accuracy, reliability, or completeness**.
- Any investment decision made by the client, based on such information, shall be at the client's **sole discretion and risk**.
- Azee Securities shall not be responsible for any **losses, damages, or consequences** resulting from reliance on such information.

3. Client's Responsibility

- The **decision to buy, sell, or hold securities** lies exclusively with the client.
- Investments are subject to **market risks**, and past performance is not indicative of future results.
- Azee Securities makes **no assurance of profitability or viability** of any trade or investment.
- Clients are strongly encouraged to act on their **own judgment, analysis, and risk appetite** when executing trades.

Disclaimer

Electronic/Online Trading offers convenience, but it also carries inherent risks. By availing this service through **Azee Securities**, the client confirms that they understand and accept full responsibility for all risks, losses, or damages that may arise directly or indirectly from online trading activities.
